INTERVIEW OF JUDGE DIANE STRICKLAND

I have read the foregoing transcript of interview and wish to make the following changes:

PAGE/LINE CHANGE REASON FOR CHANGE

Pages 6 and 9 both refer to the admission of women to undergraduate school at UVA and UNC. I was wrong as to the dates so I request that on page 6 the language beginning "which actually, in those days... to the end of the paragraph." and on page 9 delete "It was actually just like UNC... to the end of the paragraph."

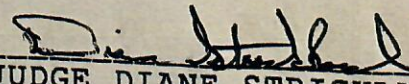

Page 16 should read "a group of three women" rather than "one of the three women"

Page 43 June's last name is Lawlor.

Page 53 Instead of "infractions which occurred at the University or University events" should read "High School or High School events"

Page 54 the word "redemption" should be "remorse"

Page 71 the word "mother" should be "grandmother - "I am going to help out as much as I can with my grandmother"
